Community Service Activities

In the space below, list the volunteer service activities you have been involved in to benefit your school and/or community. Identify the organizations you worked with, the years you worked with each organization, and the types of services you provided. What would you consider the most positive experience you had providing volunteer services?

Letter of Recommendation

Provide 2 letters of recommendation. Letters of recommendation can be from (a) faculty, staff, or administrators at the educational institution you are attending, (b) from officers or members of local NBDA chapters in your home area or area where your educational institution is located.
